Momentum Program

For patients prescribed AJOVY

Updated June 2021

The AJOVY Momentum Program aims to improve the value, outcomes and support available to adults prescribed AJOVY for the prevention of migraines.¹

This program is only available to patients with a private prescription for AJOVY.

Please read the terms of use before enrolling in this program. The enrolment link can be found on the back page of this brochure.

Getting started on the AJOVY Momentum Program

1

Receive your AJOVY prescription

- Before you can enrol in the AJOVY Momentum Program, your doctor will provide you with a prescription for AJOVY, along with this brochure.

2

Enrol at www.momentumprograms.com.au

- Enter the access code: **K33Pmomentum**
- Click **Enrol**.
- Enter your details, confirm your consent and select a pharmacy:
 - » A list of pharmacies participating in the program will appear based on the postcode you nominate for collection of your AJOVY.
- Click **Submit**.

3

Pharmacy welcome call

- Your nominated pharmacy will contact you within 1–2 business days of your enrolment to confirm your details and when you can collect your AJOVY.

4

Collect AJOVY from your nominated pharmacy

- All patients enrolled in the Momentum Program will be eligible to receive AJOVY at \$0.00 per unit* from 1 June 2021 until 31 July 2021, or until AJOVY is listed on the Pharmaceutical Benefits Scheme (PBS), whichever comes first.†
- The program provides a maximum of 2 units of AJOVY per patient on a monthly dose and a maximum of 3 units of AJOVY per patient on a quarterly dose, unless the program is extended beyond 31 July 2021.†

*This price is Teva Pharma Australia Pty Ltd's (Teva's) recommended retail price only for patients enrolled in the AJOVY Momentum Program, and prices may differ from pharmacy to pharmacy. Teva will provide each participating pharmacy with a service fee at fair market value for each AJOVY dispensing event.

†Teva has the right to extend or change this program at any time. Reasonable notice will be provided in advance of any changes to the AJOVY Momentum Program. You can opt out of the program at any time, however, if you do opt out, you should speak with your doctor to discuss your treatment options.

5

Optional pharmacy support

- Your pharmacy may offer you a Quality Use of Medicines (QUM) consultation at each dispense at no additional cost,[‡] or you can request a QUM consultation at the time of dispense, if you have any questions or concerns regarding AJOVY.
- A QUM consultation can be tailored to include:
 - » Advice about AJOVY, such as things to know before and while using AJOVY, potential side effects, as well as storage and disposal instructions;
 - » Injection training or support to help you take your AJOVY and minimise side effects related to injection technique;
 - » Discussions about your experience with AJOVY to address any questions or concerns;
 - » Information and tips designed to help you follow your injection schedule and take your medication as prescribed;
 - » Helping you to access the MigraineHQ resource centre including an injection video and migraine diary.

To access the MigraineHQ resource centre, visit www.migraineHQ.com.au and type in the 13 digit barcode number on your box of AJOVY.

[‡]Teva will provide each participating pharmacy with a service fee at fair market value for the AJOVY Quality Use of Medicines program, if you wish to take up this offer.

6

Continue to access AJOVY

- You can continue to purchase AJOVY from your nominated pharmacy for as long as your doctor recommends and as long as you have a valid prescription.
